

FULL SERVICE UROFLOW SOLUTION

FOR UROLOGY PRACTICES
OF ALL SIZES

WE SAVE YOU TIME AND MAKE YOU MONEY

UroGenie provides a full service solution for your uroflow testing process. Kiss the old ways of doing it goodbye. No more wasted time waiting in the office for patients to pee or hours lost to uploading test results.

This is the future of Uroflowmetry and we have you completely covered.

FEATURES

- Our mobile app uploads the uroflow results into the patient's EMR
- Incredibly simple device designed for flexibility: use at home OR in office
- Turnkey billing

HIGHLIGHTS

- All you need to do is prescribe and collect the insurance reimbursements: we take care of customer support and billing
- No more paper print outs of test results. You get it instantly in the patient's EMR.
- Device so easy to use any patient can do it at home
- CHOP patented technology licensed exclusively to UroGenie
